Max out on thrills

Steel Venom, Valleyfair's newest impulse coaster, has quickly earned the definition of thrill ride. Choose from five other coasters including the world-class hyper coaster **Wild Thing**[®], or shoot up or down on the 275-feet of Extreme Scream – **Power Tower**! At Valleyfair, thrills come by the minute.

Max out on fun

Valleyfair provides you the maximum opportunity for summer-time fun. With more than 75 rides and attractions, there truly is something for everyone – from wild thrills to mild thrills and everything in between.

Activities abound for little kids under 54" tall, and everyone will have a splashing good time at Whitewater Country Waterpark (included in the price of admission).

Plus, entertainment is alive and kicking at various venues, and movie buffs will enjoy a feature film in the 6-story Pepsi IMAX® Theater.

Food and games are also part of the experience, and so is Colonel Ohoompapa, who will be making his rounds for a photo-op or just a hug.

Plan for a full day... you'll need it.

CHALLENGE PARK

Don't miss the great thrills and family fun waiting for you at Challenge Park, located in the southeast corner of Valleyfair (near Steel Venom). Challenge Park features exciting attractions like the extreme RipCord (an 18-story tethered free-fall), two 18-hole adventure golf courses, Can-Am style go-karts and bumper boats. Challenge Park is a separate charge attraction and requires Valleyfair admission to participate in its activities.
